Your child is enrolled in the New Lenox Park District Adventure Club Before & After School program. In order to ensure the quality of this program, each child must follow program rules.

1. Treat the program staff and other children with a respectful attitude and actions.
2. Cooperate with the program staff and participate in all planned activities.
3. Use appropriate language at all times.
4. Do not cause damage or deface the equipment or personal belongings of another person or facility of the program.

Consequences for Breaking the Rules:

The Adventure Club staff will keep a written record of serious/chronic problems and will notify you of such occurrences. If the problem persists, your child may be withdrawn from the program, if behavior modification doesn't work.
