GREETINGS FROM YOUR NEW LENOX COMMUNITY PARK DISTRICT!

I think that we all can agree that the days of summer go by in a flash, while the other nine months seem to drag on.

Your Park District knows this feeling, so we gear our programs to not only serve our working families with BEFORE and AFTER School Programs, known as "ACES", but also programs that serve our youth, teens and adult patrons. You will find so many programs and special events in this catalog to choose from, that before you know it, you will be reading the Summer of 2022 Catalog! Don't miss out on our newest special event, our Bicycle Poker Run. You will ride along Route 30 stopping at five different local restaurants and draw a card in hopes to get the best poker hand! We also have many unique bus trips to choose from including a ghost tour of the City of Chicago and some shopping trips to the Chicago Premium Outlet Mall and Chicago's Christkindlmarket. Take a trip with us!

Our Friends of the Parks Foundation will once again hold Empty Bowls event at the Village of New Lenox's Festival on Sunday, October 3 at 11:00am in the Low Lenox Commons. Profits from this event will support the New Lenox Township Food Pantry. They will also host their annual Meta-Mucil 55+ Golf Outing on Tuesday, October 12. Registration for both of these events is available on their new website, nlfop.square.site.

For those of you looking for a location to hold your wedding reception, birthday party or perhaps a baby show, please check out the banquet rooms located at the Lions Community Center. We can accommodate parties up to 180 guests. Please call or visit our website for more details.

The Sanctuary Golf Course was as busy as ever this past Summer. The warm weather kept the driving range packed with new and experienced golfers, and the outings kept The Sanctuary staff very busy. Even though Summer is ending, make sure to check The Sanctuary website for available Fall driving range and tee times!

Your Parks Maintenance Department is actively ensuring that all of our 41 park sites are staying beautiful and clean! We held two grand openings this past summer at Leigh Creek South Park and the Fitness Court®. These two sites have state of the art equipment for everyone to enjoy! Construction on our latest OSLAD grant awarded park, Sky Harbor Park, is scheduled to be completed this Fall. We will be hosting another grand opening summer of 2022. Without our hard-working staff and extremely supportive community, these amazing parks would not be possible. When you look through the list of parks in the back of our guide or website, why not try a new park, and meet new people in the community you live in.

Remember...try a new program, attend a new event and be active in your community!

Sincerely,
Ted Schulz
Park Board President

FALL 2021

Please check Lincoln-Way Community High School website for Team Asset information at www.lw210.org/community/asset.php

CREATE A CLASS

The Park District is looking for local hidden talent to instruct or lead various recreational classes. Do you like to set your own work schedule? Do you have a background in fitness, early childhood, craft design or any other special ability? If so, join our staff and contribute to "Quality Community Life" in New Lenox. We are always looking for new instructors with creative ideas. If you have a particular skill or are willing to lead activities, please call (815) 485-3584.

Commemorative Tree and Bench Program

Are you looking for a special way to honor a loved one or to commemorate a special event? The New Lenox Community Park District's Commemorative Tree and Bench Program is dedicated to planting a tree or placing a bench in honor of a loved one, organization or to celebrate your special occasion. There are a variety of trees that can be purchased and planted. Please keep in mind that trees may be purchased at any time but are only planted in the spring and fall and benches will be installed weather permitting. Please note that these trees and/or benches may be placed within a park site or at our Sanctuary Golf Course, but restrictions do apply. Each commemorative donation will be designated with a plaque honoring your request. For further information, please call (815) 485-3584.

Reminder to Pet Owners

When visiting local parks with your pet, please remember that the Park District and Village ordinances require dogs to be leashed at all times. Owners are responsible for cleaning up any animal excrement from public property.

What is the S.T.O.P. PROGRAM?

S.T.O.P. stands for Stop Trashing Our Parks and is represented by our mascot, Bucky the Beaver. Bucky's mission is to keep our parks safe and free of vandalism. To help support Bucky's mission, cash rewards will be paid for information leading to the apprehension of park vandals (individuals providing information are not required to identify themselves). Hopefully, kids of all ages can relate to our friendly mascot and his mission.

PROGRAM REQUIREMENTS

- Children must be the correct age by 9/1/21, unless otherwise specified. In order to provide your child with the best possible recreational and/or learning experience, all of our programs are planned according to the ages listed in our Program Guide.
- Although your child may turn the correct age during the session of a program, our age requirement date coincides with the school district's date to assist with the fundamental growth of the child in the age-appropriate programs and therefore would not be eligible for registration.
- Classes are for the registered child only, except for classes with an adult. Parents should not remain in the classroom or gymnasium after dropping off their child. This is in the child's best interest, as continual interruptions tend to affect participants' attention span and inhibit the establishment of peer relationships.
- All children must be potty-trained unless they are attending a class where an adult stays with them or is otherwise stated in the class description. Diapers are not permitted in independent classes unless stated in the class description.
- Please do not bring food to any class unless previously arranged.
- For your child's safety, all children enrolled in programs must be picked up from the specific door by their parent(s) or designated guardian. No child will be released from the building to anyone other than these individuals.
- A mandatory sign-in and sign-out procedure for all participants is required for all Park District Programs. Children must be accompanied by an adult when escorted to the door.

REFUND POLICY

No refunds are given: (1) once a program begins unless a replacement is found; (2) on material fees unless we cancel a program; (3) on bus trips; or (4) for special events or one-day programs. A full refund is issued if we cancel a program or trip.

- When a participant cancels out of a program, a full refund, less a \$5 service charge (per program), will be granted. A \$5 service charge will also be assessed on all program transfers. These requests will only be honored if the request is submitted three business days prior to the start of the program or activity.
- All refunds less than \$10 will be applied as a credit to the customer's account.
- Every effort will be made to process refunds within 30 days, but in some instances it may take longer.
- New Lenox Community Park District reserves the right to change program details at any time.

CANCELLATIONS

Staff reserves the right to consolidate, postpone, reschedule or cancel any program due to changes in day, dates, times, instructor or insufficient enrollment. If program enrollment does not meet the minimum number of registrants, we try to cancel the program seven days prior to the start date or by the registration deadline.

For cancellations due to unforeseen circumstances (i.e., inclement weather, facility emergencies or scheduling conflicts), which are announced by Lincoln-Way District 210 or New Lenox School District 122 at facilities where Park District programs are scheduled, Park District programming will be cancelled as well. All attempts will be made to reschedule cancelled classes. However, the New Lenox Community Park District is sometimes unable to accommodate make-up classes and will not refund money in such instances.

PROGRAM BEHAVIOR POLICY

Participants are expected to exhibit appropriate behavior at all times. The following guidelines have been developed to help make Park District programs safe and enjoyable for all participants. Additional rules may be developed for particular programs and athletic leagues as deemed necessary by staff.

- Show respect to participants and staff and take direction from staff.
- Refrain from using abusive or foul language or from causing bodily harm to self, other participants or staff.
- Show respect to equipment, supplies and facilities. The New Lenox Community Park District reserves the right to terminate a party's participation in a Park District program due to that party's disruptive behavior or conduct.

PHOTO DISCLAIMER

Registrants and participants permit to the taking of photos and videos of themselves and their children during Park District activities for publication and use as the Park District deems necessary.

PROGRAM GUIDE DISTRIBUTION

To provide you the most up-to-date information, the Program Guides will be available online only at newlenoxparks.org. We continue to review guidelines to determine the best way to safely serve the community while fulfilling our mission of providing quality community life.

LIABILITY

The New Lenox Community Park District is unable to assume responsibility for injuries, accidents or loss of personal property occurring during programs or activities, in parks or facilities. Such insurance would make programs and user fees prohibitive.

Please mark the ADA box on the Registration Form and call our Administration Building at (815) 485-3584. We recommend at least two weeks' notice to have modifications in place.

- Parents/guardians may register for immediate family members only. Each adult must sign the Registration Form.

- Registration is not complete until a printed confirmation or email receipt has been issued.
- The New Lenox Community Park District is not responsible for lost or late mail or faxes.
- All Registration Forms must be signed. Those without signatures will be returned to the sender, thereby jeopardizing registration and program placement.
- A \$25 service charge will be assessed on all rejected credit card payments for families utilizing our Automatic Payment Plan and \$30 service charge on all returned checks.
- The New Lenox Community Park District reserves the right to suspend participation in activities of customers whose account is in "bad standing" until all fees are paid. Failure to pay may result in collection costs added to outstanding balances.

Hatha Yoga is used to create balance in the body and the mind. This is accomplished by looking to the eight limbs of yoga including asana (physical movement) and pranayama (breathing exercises). During the course we will discover how the linking of physical movement and breath work can begin to slow the mind and release stress. This class is great for people who are looking to decompress from their day or need low impact exercises that will still build strength. All levels of experience and flexibility are welcome! For your comfort, please come to class on an empty stomach (eat two hours before class) and wear loose fitting clothing. Bring your own yoga mat and strap to class.

Meet & Greet Days for Participants & Families

Thursday, September 9 and Friday, September 10

Classes begin the week of

September 13, 2021 through May 13, 2022

What does Kiddie Kampus offer its participants?

The New Lenox Community Park District offers preschool classes designed to develop social, emotional and physical skills to ensure school readiness. A child's separation from parents and involvement with a non-family member is one of many major steps towards his/her development. Kiddie Kampus provides a safe and supportive environment for your child's first school experience while increasing his/her self-esteem and confidence through age-appropriate instruction. Covered during the year are color, shape and number recognition, an introduction to number concepts and letter recognition. Your child's quest for learning will be nurtured through creative play, building friendships, working individually and cooperating as part of a group. These activities promote patience, sharing and the awareness that there is a whole world of people surrounding and supporting them. Songs, stories, activities and games are used for reinforcement and fun.

What requirements are necessary for Kiddie Kampus registration?

1. A copy of your child's birth certificate MUST be provided at registration. A child must be four (three for the 3-year-old program), on or before September 1, 2021, and must be able to handle bathroom hygiene independently (potty-trained, no diapers). It is very helpful if the child can zip/button independently.
2. A \$50 non-refundable registration fee, first month's tuition, along with a T-shirt fee of \$10 (if needed) will be collected when registering your child. The remainder of the fees are then divided into eight equal monthly payments. All payments are due on the 15th of the month, beginning September 15. A late fee of \$25 will be assessed to any account that is delinquent.
3. You must sign up for our automatic payment plan, exception is if you pay in full. You must complete these forms and submit them at the time of registration.
4. If you pay your full tuition payment at time of registration, the \$50 non-refundable registration fee will be waived.
5. A voter's card or tax bill is required at registration for verification of residency.

Our Kiddie Kampus follows New Lenox School District 122's calendar year for all full days off except for our Winter Break. Kiddie Kampus is still in session when there is a half-day for New Lenox School District 122.
