GREETINGS FROM YOUR NEW LENOX COMMUNITY PARK DISTRICT!

Is everyone ready for some Holiday Cheer?

For those of you looking for some holiday fun, grab your ice skates or rent some at the Christmas in the Commons beginning Saturday, December 3! Visit newlenoxparks.com for more information regarding rental hours.

Although the cold winter is quickly approaching patrons can continue to enjoy the winter landscape at Hibernia Park as they walk or run around the 0.57-mile trail. Please keep in mind the path may not be plowed or cleared of any snow or ice and will not be salted therefore proceed with caution. This Spring we look forward to beginning construction on Phase II of Hibernia Park, our recently awarded OSLAD grant park.

The Government Finance Officers Association of the United States and Canada (GFOA) has awarded the Certificate of Achievement for Excellence in Financial Reporting to New Lenox Community Park District for its comprehensive annual financial report for our last fiscal year. This marks the Fourteenth consecutive year that the New Lenox Community Park District's Business Services Department has been awarded the Certificate of Achievement for Excellence in Financial Reporting. We continue to strive to clearly communicate our financial story to the community.

Let's turn our attention to what's new in your Recreation Department. As usual, we will be offering a large selection of programs during the upcoming winter months. Make sure to take advantage of our brand new one-day-only special events, Top of the Mornin' and Hop Till You Drop! As always, the Program Guide is filled with a variety of activities designed for our whole community, so please take a few minutes to find an activity (or two) that fits your family's needs. We also have a variety of Bus Trips to choose from, so sit back, relax and let us take care of the driving!

The Sanctuary offers golf lessons and programs to fit all skill levels. Don't forget to check out the special events we are offering. Please visit the Sanctuary's website at golfsanctuary.com for more information on rates, lessons, leagues and more as registration for their classes and programs begin March 1, 2023.

In closing, I want to thank all the employees that work our many programs, events and departments. Everyone has stepped up and filled in when needed. The Board of Commissioners thanks you for your dedication to the New Lenox Community Park District. Remember...Try a new program, attend a new event and be active in your community!

Sincerely

CREATE A CLASS

The Park District is looking for local hidden talent to instruct or lead various recreational classes. Do you like to set your own work schedule? Do you have a background in fitness, early childhood, craft design or any other special ability? If so, join our staff and contribute to "Quality Community Life" in New Lenox. We are always looking for new instructors with creative ideas. If you have a particular skill or are willing to lead activities, please call (815) 485-3584.

Commemorative Tree and Bench Program

Are you looking for a special way to honor a loved one or to commemorate a special event? The New Lenox Community Park District's Commemorative Tree and Bench Program is dedicated to planting a tree or placing a bench in honor of a loved one, organization or to celebrate your special occasion. There are a variety of trees that can be purchased and planted. Please keep in mind that trees may be purchased at any time but are only planted in the spring and fall and benches will be installed weather permitting. Please note that these trees and/or benches may be placed within a park site or at our Sanctuary Golf Course, but restrictions do apply. Each commemorative donation will be designated with a plaque honoring your request. For further information, please call (815) 485- 3584.

Reminder to Pet Owners

When visiting local parks with your pet, please remember that the Park District and Village ordinances require dogs to be leashed at all times. Owners are responsible for cleaning up any animal excrement from public property.

What is the S.T.O.P. PROGRAM?

S.T.O.P. stands for Stop Trashing Our Parks and is represented by our mascot, Bucky the Beaver. Bucky's mission is to keep our parks safe and free of vandalism. To help support Bucky's mission, cash rewards will be paid for information leading to the apprehension of park vandals (individuals providing information are not required to identify themselves). Hopefully, kids of all ages can relate to our friendly mascot and his mission.

PROGRAM REQUIREMENTS

- Children must be the correct age by 9/1/22, unless otherwise specified. In order to provide your child with the best possible recreational and/or learning experience, all our programs are planned according to the ages listed in our Program Guide.
- Although your child may turn the correct age during the session of a program, our age requirement date coincides with the school district's date to assist with the fundamental growth of the child in the age-appropriate programs and therefore would not be eligible for registration.
- Classes are for the registered child only, except for classes with an adult. Parents will drop child off at the designated location, you will not be able to remain in the classroom, gymnasium or the Lions Community Center. This is in the child's best interest, as continual interruptions tend to affect participants' attention span and inhibit the establishment of peer relationships.
- All children must be potty-trained unless they are attending a class where an adult stays with them or is otherwise stated in the class description. Diapers are not permitted in independent classes unless stated in the class description.
- Please do not bring food to any class unless previously arranged.
- For your child's safety, all children enrolled in the program must be escorted to and from the program by their parent/designated guardian. No child will be released from the program to anyone other than individuals from the pick-up list. Individual must provide a picture ID and sign a mandatory sign-in and sign-out form.

REFUND POLICY

No refunds are given: (1) once a program begins unless a replacement is found; (2) on material fees unless we cancel a program; (3) on bus trips; or (4) for special events or one-day programs. A full refund is issued if we cancel a program or trip.

- When a participant cancels out of a program, a full refund, less a \$5 service charge (per program), will be granted. A \$5 service charge will also be assessed on all program transfers.
- These requests will only be honored if the request is submitted three business days prior to the start of the program or activity.
- All refunds less than \$10 will be applied as a credit to the customer's account.
- Every effort will be made to process refunds within 30 days, but in some instances it may take longer.
- New Lenox Community Park District reserves the right to change program details at any time.

CANCELLATIONS

Staff reserves the right to consolidate, postpone, reschedule, or cancel any program due to changes in day, dates, times, instructor or insufficient enrollment. If program enrollment does not meet the minimum number of registrants, we try to cancel the program seven days prior to the start date or by the registration deadline.

For cancellations due to unforeseen circumstances (i.e., inclement weather, facility emergencies or scheduling conflicts), which are announced by Lincoln-Way District 210 or New Lenox School District 122 at facilities where Park District programs are scheduled, Park District programming will be cancelled as well. All attempts will be made to reschedule cancelled classes. However, the New Lenox Community Park District is sometimes unable to accommodate make-up classes and will not refund money in such instances.

PROGRAM BEHAVIOR POLICY

Participants are expected to exhibit appropriate behavior. The following guidelines have been developed to help make Park District programs safe and enjoyable for all participants. Additional rules may be developed for programs and athletic leagues as deemed necessary by staff.

- The New Lenox Community Park District reserves the right to terminate a party's participation in a Park District program due to that party's disruptive behavior or conduct.
- Show respect to participants and staff and take direction from staff.
- Refrain from using abusive or foul language or from causing bodily harm to self, other participants or staff.
- Show respect to equipment, supplies and facilities.

PROGRAM GUIDE DISTRIBUTION

To provide you the most up-to-date information, the Program Guides will be available online only at newlenoxparks.org. We continue to review guidelines to determine the best way to safely serve the community while fulfilling our mission of providing quality community life.

PHOTO DISCLAIMER

Registrants and participants permit to the taking of photos and videos of themselves and their children during Park District activities for publication and use as the Park District deems necessary.

What does Kiddie Kampus offer its participants?

The New Lenox Community Park District offers preschool classes designed to develop social, emotional, and physical skills to ensure school readiness. A child's separation from parents and involvement with a non-family member is one of many major steps towards their development. Kiddie Kampus provides a safe and supportive environment for your child's first school experience while increasing their self-esteem and confidence through age-appropriate instruction. Covered during the year are color, shape and number recognition, an introduction to number concepts and letter recognition. Your child's quest for learning will be nurtured through creative play, building friendships, working individually, and cooperating as part of a group. These activities promote patience, sharing and the awareness that there is a whole world of people surrounding and supporting them. Songs, stories, activities, and games are used for reinforcement and fun.

What requirements are necessary for Kiddie Kampus registration?

1. A copy of your child's birth certificate MUST be provided at registration. A child must be four (three for the 3-year-old program), on or before September 1, 2023, and must be able to handle bathroom hygiene independently (potty-trained, no diapers). It is very helpful if the child can zip/button independently.
2. A voter's card or tax bill is required at registration for verification of residency.
3. A \$50 non-refundable registration fee, first month's tuition, along with a T-shirt fee of \$10 (if needed) will be collected beginning March 4, from 8:00-10:00am while registering your child. The remainder of the fees are then divided into eight equal monthly payments. All payments are due on the 15th of the month, beginning September 15. A late fee of \$25 will be assessed to any account that is delinquent.
4. You must sign up for our automatic payment plan, exception is if you pay in full. You must complete these forms and submit them at the time of registration.
You will be subjected to a \$25 service charge if your card declines.
5. If you pay your full tuition payment at time of registration, the \$50 non-refundable registration fee will be waived.

Kiddie Kampus follows New Lenox School District 122's calendar year for all full days off except for our Winter Break. Kiddie Kampus is still in session when there is a half-day for New Lenox School District 122.

Due to priority registration of current 3-year-old Kiddie Kampus participants, there are limited spots available in the 4-year-old Kiddie Kampus program.	ACTV#	AGE	LOCATION	DAYS	TIME	R/NR FULL PAYMENT	R/NR MONTHLY TUITION
