GREETINGS FROM YOUR NEW LENOX COMMUNITY PARK DISTRICT!

I don't know about you, but I am ready for SUMMER!

As always, the Recreation Department is ensuring an amazing summer for you and your family! From the many summer camps to the hundreds of programs, we have what you are looking for to get out of the house. Join us for some fun with our new event to help celebrate Father's Day, Drenched Dad! Nerf Super-Soaker Battle. Ages ten to fourteen bring your competitive spirit for the Tween Sunset Summer Games. Along with our year-round Adult Programs, we will be taking part in the Six County Senior Games 2023, visit the IPRA Six County Senior Games for more details!

The Sanctuary will be offering a variety of golf lessons and programs to fit all skill levels. Take advantage of our Wednesday SUPER SPECIAL all season long! Visit golfsanctuary.com for information on rates, lessons, leagues and more.

Your Parks Maintenance Department strives to keep your parks and athletic sites clean, safe and accessible for all. They continue to renovate older shelters, replace older site furniture and seal coat walking paths and parking lots.

Our newly renovated Disc Golf Course at Haines Park is open and ready for you to play! Sign up for the 19th New Lenox Disc Golf Open in June. Did you know that U.S. House of Representatives has designated July as Parks and Recreation Month. In honor of the this, we are celebrating with our official Grand Opening of Sky Harbor Park on July 27. Don't forget to sign up your family for an enjoyable afternoon.

We are so excited we are beginning construction on Hibernia Park Phase II this summer, although most of the park amenities will be closed, you will be able to use the walking path and the pond for fishing. The new development has a project budget of just over \$1 million. Hibernia Park Phase II is funded by the OSLAD grant and the New Lenox Community Park District. When OSLAD grants are awarded, agencies typically exceed the dollar-for-dollar minimum matching requirement. On average, local agencies match the state's dollar investment by \$1.75, meaning that the state receives 175% of its investment.

In closing, I speak for myself and my fellow commissioners when I say we are excited to see all our upcoming park projects come to fruition. We look forward to enhancing the parks and recreation experience to the New Lenox Community!

Sincerely,

Ted Schulz
Park Board President

CREATE A CLASS

The Park District is looking for local hidden talent to instruct or lead various recreational classes. Do you like to set your own work schedule? Do you have a background in fitness, early childhood, craft design or any other special ability? If so, join our staff and contribute to "Quality Community Life" in New Lenox. We are always looking for new instructors with creative ideas. If you have a particular skill or are willing to lead activities, please call (815) 485-3584.

Commemorative Tree and Bench Program

Are you looking for a special way to honor a loved one or to commemorate a special event? The New Lenox Community Park District's Commemorative Tree and Bench Program is dedicated to planting a tree or placing a bench in honor of a loved one, organization or to celebrate your special occasion. There are a variety of trees that can be purchased and planted. Please keep in mind that trees may be purchased at any time but are only planted in the spring and fall and benches will be installed weather permitting. Please note that these trees and/or benches may be placed within a park site or at our Sanctuary Golf Course, but restrictions do apply. Each commemorative donation will be designated with a plaque honoring your request. For further information, please call (815) 485- 3584.

Reminder to Pet Owners

When visiting local parks with your pet, please remember that the Park District and Village ordinances require dogs to be leashed at all times. Owners are responsible for cleaning up any animal excrement from public property.

What is the S.T.O.P. PROGRAM?

S.T.O.P. stands for Stop Trashing Our Parks and is represented by our mascot, Bucky the Beaver. Bucky's mission is to keep our parks safe and free of vandalism. To help support Bucky's mission, cash rewards will be paid for information leading to the apprehension of park vandals (individuals providing information are not required to identify themselves). Hopefully, kids of all ages can relate to our friendly mascot and his mission.

PROGRAM REQUIREMENTS

- Children must be the correct age by 9/1/23, unless otherwise specified. In order to provide your child with the best possible recreational and/or learning experience, all our programs are planned according to the ages listed in our Program Guide.
- Although your child may turn the correct age during the session of a program, our age requirement date coincides with the school district's date to assist with the fundamental growth of the child in the age-appropriate programs and therefore would not be eligible for registration.
- Classes are for the registered child only, except for classes with an adult. Parents should not remain in the classroom or gymnasium after dropping off their child. This is in the child's best interest, as continual interruptions tend to affect participants' attention span and inhibit the establishment of peer relationships.
- All children must be potty-trained unless they are attending a class where an adult stays with them or is otherwise stated in the class description. Diapers are not permitted in independent classes unless stated in the class description.
- Please do not bring food to any class unless previously arranged.
- For your child's safety, all children enrolled in programs must be picked up from the specific classroom or program site by their parent(s) or designated guardian. No child will be released from the classroom to anyone other than individuals from the pick-up list.
- A mandatory sign-in and sign-out procedure for all participants is required for all Park District Programs. Children must be accompanied by an adult when escorted to and from class.

REFUND POLICY

No refunds are given: (1) once a program begins unless a replacement is found; (2) on material fees unless we cancel a program; (3) on bus trips; or (4) for special events or one-day programs. A full refund is issued if we cancel a program or trip.

- When a participant cancels out of a program, a full refund, less a \$5 service charge (per program), will be granted. A \$5 service charge will also be assessed on all program transfers.
- These requests will only be honored if the request is submitted three business days prior to the start of the program or activity.
- All refunds less than \$10 will be applied as a credit to the customer's account.
- Every effort will be made to process refunds within 30 days, but in some instances it may take longer.
- New Lenox Community Park District reserves the right to change program details at any time.

CANCELLATIONS

Staff reserves the right to consolidate, postpone, reschedule, or cancel any program due to changes in day, dates, times, instructor or insufficient enrollment. If program enrollment does not meet the minimum number of registrants, we try to cancel the program seven days prior to the start date or by the registration deadline.

For cancellations due to unforeseen circumstances (i.e., inclement weather, facility emergencies or scheduling conflicts), which are announced by Lincoln-Way District 210 or New Lenox School District 122 at facilities where Park District programs are scheduled, Park District programming will be cancelled as well. All attempts will be made to reschedule cancelled classes. However, the New Lenox Community Park District is sometimes unable to accommodate make-up classes and will not refund money in such instances.

PROGRAM BEHAVIOR POLICY

Participants are expected to exhibit appropriate behavior. The following guidelines have been developed to help make Park District programs safe and enjoyable for all participants.

Additional rules may be developed for programs and athletic leagues as deemed necessary by staff.

- Show respect to participants and staff and take direction from staff.
- Refrain from using abusive or foul language or from causing bodily harm to self, other participants or staff.
- Show respect to equipment, supplies and facilities. The New Lenox Community Park District reserves the right to terminate a party's participation in a Park District program due to that party's disruptive behavior or conduct.

PHOTO DISCLAIMER

Registrants and participants permit to the taking of photos and videos of themselves and their children during Park District activities for publication and use as the Park District deems necessary.

PROGRAM GUIDE DISTRIBUTION

To provide you the most up-to-date information, the Program Guides will be available online only at newlenoxparks.org. We continue to review guidelines to determine the best way to safely serve the community while fulfilling our mission of providing quality community life.

LIABILITY

The New Lenox Community Park District is unable to assume responsibility for injuries, accidents or loss of personal property occurring during programs or activities, in parks or facilities. Such insurance would make programs and user fees prohibitive.

UNDER CONSTRUCTION

EXCITING NEWS . . . WE BEGAN ADDING RECREATIONAL AMENITIES AT HIBERNIA PARK (PHASE II DEVELOPMENT) THIS SPRING.

The park's splash pad, boat rentals and playground will be **CLOSED** this year for the construction; however, you are able to fish and use the walking path around the pond.

We encourage the community to use the Splash Pad at Walker Country Estates Park and visit our two great new parks just south of Hibernia, Leigh Creek South and Sky Harbor.

NLCPD Receives OSLAD Grant For Hibernia Park Phase II

The New Lenox Community Park District was awarded an OSLAD Grant in the amount of \$400,000 to help update one of our most frequented parks, Hibernia Park.

Hibernia Park Phase II will feature an expanded boat dock along with an ADA accessible kayak station to better serve all members of our community. The open space between the current concession area and park will soon be home to a boardwalk over a pollinator prairie to allow for a more accessible walkway to our park and splash pad, this will also serve as a fun learning experience for all. The splash pad will be made larger with new equipment and a slip resistant splash pad safety surface. The new multi-use building will be more centrally located to the park and splash pad, in addition to having washrooms and a concession stand with a pavilion. At the west end of the park, we are adding bocce ball and a putting green, for multi-generational recreation. The multipurpose trail that encircles the site perimeter will now feature outdoor sports and fitness equipment to support active lifestyles.

The new development has a project budget of just over \$1 million. Hibernia Park Phase II will be funded by the OSLAD grant and the New Lenox Community Park District. When OSLAD grants are awarded, agencies typically exceed the dollar for dollar minimum matching requirement. On average, local agencies match the state's dollar investment by \$1.75, meaning that the state receives 175% of its investment.

Hibernia Park Phase II

OSLAD 2021 Submission

The New Lenox Community Park District is one of 87 agencies throughout the state to receive an OSLAD grant. A total of \$30.3 Million dollars was awarded to agencies. Funding for this round of OSLAD grants was the direct result of Illinois Association of Park District's (IAPD) advocacy efforts. Without the support of the IAPD membership, these OSLAD grants would not have been possible.

"We are thrilled to receive this grant that will allow us to expand and update the current recreational amenities while creating something new for residents," New Lenox Community Park District Executive Director Greg Lewis said. "The planned additions will appeal to our entire community making Hibernia Park truly a destination site for New Lenox."

Little Sparks

Ages 3-5

Little Sparks is Chicago Fire FC's introduction to a soccer program. Little Sparks takes children on an exciting journey using imaginative stories to explore the game, while our experienced coaches focus on their holistic development. Little Sparks uses three key principles (experiential play, creative learning, holistic activity) to build an environment for children to learn and explore different outcomes associated with soccer and self-development. PARENTS PLAY TOO! Little Sparks is unique in that it incorporates mom and dad into the child's learning experience. With the support of mom and dad, children are able to truly be comfortable and express themselves in order to maximize each session.

Hatha Yoga

Hatha Yoga is used to create balance in the body and the mind. This is accomplished by looking to the eight limbs of yoga including asana (physical movement) and pranayama (breathing exercises). During the class, we will discover how the linking of physical movement and breath work can begin to slow the mind and release stress. This class is great for people who are looking to decompress from their day and need low impact exercises that will still build strength. All levels of experience and flexibility are welcome! For your comfort, please come to class on an empty stomach (eat two hours before class) and wear loose-fitting clothing. Please bring your own yoga mat, strap and a water bottle to class.

Kiddie Kampus Registration Began Saturday, March 4 Limited Space Available

Ages 3-4 (as of 9/1/23)

Meet & Greet Days for Registrants

Thursday, September 7 and Friday, September 8

Classes begin the week of September 11, 2023 and run through May 17, 2024.

What does Kiddie Kampus offer its participants?

The New Lenox Community Park District offers preschool classes designed to develop social, emotional, and physical skills to ensure school readiness. A child's separation from parents and involvement with a non-family member is one of many major steps towards their development. Kiddie Kampus provides a safe and supportive environment for your child's first school experience while increasing their self-esteem and confidence through age-appropriate instruction. Covered during the year are color, shape and number recognition, an introduction to number concepts and letter recognition. Your child's quest for learning will be nurtured through creative play, building friendships, working individually, and cooperating as part of a group. These activities promote patience, sharing and the awareness that there is a whole world of people surrounding and supporting them. Songs, stories, activities, and games are used for reinforcement and fun.

What requirements are necessary for Kiddie Kampus registration?

1. A copy of your child's birth certificate MUST be provided at registration. A child must be four (three for the 3-year-old program), on or before September 1, 2023, and must be able to handle bathroom hygiene independently (potty-trained, no diapers). It is very helpful if the child can zip/button independently.
2. A voter's card or tax bill is required at registration for verification of residency.
3. A \$50 non-refundable registration fee, first month's tuition, along with a T-shirt fee of \$10 (if needed) will be collected beginning March 6 from 8:00-10:00am while registering your child. The remainder of the fees are then divided into eight equal monthly payments. All payments are due on the 15th of the month, beginning September 15. A late fee of \$25 will be assessed to any account that is delinquent.
4. You must sign up for our automatic payment plan, exception is if you pay in full. You must complete these forms and submit them at the time of registration. You will be subjected to a \$25.00 Service Charge if your card is declined.
5. If you pay your full tuition payment at time of registration, the \$50 non-refundable registration fee will be waived.

Kiddie Kampus follows New Lenox School District 122's calendar year for all full days off except for our Winter Break. Kiddie Kampus is still in session when there is a half-day for New Lenox School District 122.

We Are Accepting Waitlist Registration For Full Classes
