## GREETINGS FROM YOUR NEW LENOX COMMUNITY PARK DISTRICT!

I'm sure you're as eager as I am for the arrival of summer!

As always, the Recreation Department is dedicated to providing an incredible summer experience for you and your family. From a variety of summer camps to numerous programs, we have everything you need to step out of the house. Join us for some family-friendly fun at one of our free events, like The Kids Fishing Derby, Park Parties, or our new Ice Cream Social! For ages 8 to 12, bring your competitive spirit to the Tween Sunset Summer Games. Don't miss out on our year-round Adult Programs and our participation in the Six County Senior Games 2024 - visit the IPRA Six County Senior Games for more information!

This summer, tee off in style at our state-of-the-art practice facility featuring Toptracer technology. Your golfing skills are about to reach new heights. Visit [golfsanctuary.com](http://golfsanctuary.com) for all the exciting details.

Our Parks Maintenance Department is dedicated to maintaining your parks and athletic sites, ensuring they are clean, safe, and accessible to everyone. They are constantly upgrading older shelters, replacing site furniture, and seal coating walking paths and parking lots.

July has been officially designated as Parks and Recreation Month by the U.S. House of Representatives. To honor this, we are hosting the Grand Opening of Hibernia Park Phase II on July 25. Celebrate the month by visiting our parks and joining us at our various events!

Exciting Update - Construction for Water Chase Park will begin this summer. This project, with a budget of over \$1.2 million, will be supported by an OSLAD grant and the New Lenox Community Park District. The development of Water Chase Park will include a pavilion, innovative play area, wiffle ball field, pickleball courts, and walking/running paths. We are delighted to enhance recreational options for people of all ages.

In conclusion, we are delighted to see our upcoming park projects come to life. We are eager to continue to improve the parks and recreation facilities for the New Lenox Community!

Warm regards,

Do you have a background in fitness, early childhood, craft design or any other special ability? If so, join our staff and contribute to "Quality Community Life" in New Lenox. We are always looking for new instructors with creative ideas. If you have a particular skill or are willing to lead activities, please call (815) 485-3584.

## Commemorative Tree and Bench Program

Are you looking for a special way to honor a loved one or to commemorate a special event? The New Lenox Community Park District's Commemorative Tree and Bench Program is dedicated to planting a tree or placing a bench in honor of a loved one, organization or to celebrate your special occasion. There are a variety of trees that can be purchased and planted. Please keep in mind that trees may be purchased at any time but are only planted in the spring and fall and benches will be installed weather permitting. Please note that these trees and/or benches may be placed within a park site or at our Sanctuary Golf Course, but restrictions do apply. Each commemorative donation will be designated with a plaque honoring your request. For further information, please call (815) 485-3584.

## Reminder to Pet Owners

When visiting local parks with your pet, please remember that the Park District and Village ordinances require dogs to be leashed at all times. Owners are responsible for cleaning up any animal excrement from public property.

## What is the S.T.O.P. PROGRAM?

S.T.O.P. stands for Stop Trashing Our Parks and is represented by our mascot, Bucky the Beaver. Bucky's mission is to keep our parks safe and free of vandalism. To help support Bucky's mission, cash rewards will be paid for information leading to the apprehension of park vandals (individuals providing information are not required to identify themselves). Hopefully, kids of all ages can relate to our friendly mascot and his mission.

## PROGRAM REQUIREMENTS

- Children must be the correct age by 9/1/24, unless otherwise specified. In order to provide your child with the best possible recreational and/or learning experience, all our programs are planned according to the ages listed in our Program Guide.
- Children must meet the age requirements of a class. The Recreation Department reserves the right to request a birth certificate if the age of the child is in question. If a child is not the appropriate age for a class, he/she will be dropped from the program.
- Classes are for the registered child only, except for classes with an adult. Parents will drop child off at the designated location, you will not be able to remain in the classroom, gymnasium or the Lions Community Center. This is in the child's best interest, as continual interruptions tend to affect participants' attention span and inhibit the establishment of peer relationships.
- All children must be potty-trained unless they are attending a class where an adult stays with them or is otherwise stated in the class description. Diapers are not permitted in independent classes unless stated in the class description.
- Please do not bring food to any class unless previously arranged.
- For your child's safety, all children enrolled in programs must be picked up from the specific classroom or program site by their parent(s) or designated guardian. No child will be released from the classroom to anyone other than individuals from the pick-up list.
- A mandatory sign-in and sign-out procedure for all participants is required for all Park District Programs. Children must be accompanied by an adult when escorted to and from class.

## REFUND POLICY

No refunds are given: (1) once a program begins unless a replacement is found; (2) on material fees unless we cancel a program; (3) on bus trips; or (4) for special events or one-day programs. A full refund is issued if we cancel a program or trip.

- When a participant cancels out of a program, a full refund, less a \$5 service charge (per program), will be granted. A \$5 service charge will also be assessed on all program transfers.
- These requests will only be honored if the request is submitted three business days prior to the start of the program or activity.
- All refunds less than \$10 will be applied as a credit to the customer's account.
- Every effort will be made to process refunds within 30 days, but in some instances it may take longer.
- New Lenox Community Park District reserves the right to change program details at any time.

## CANCELLATIONS

Staff reserves the right to consolidate, postpone, reschedule, or cancel any program due to changes in day, dates, times, instructor or insufficient enrollment. If program enrollment does not meet the minimum number of registrants, we try to cancel the program seven days prior to the start date or by the registration deadline.

For cancellations due to unforeseen circumstances (i.e., inclement weather, facility emergencies or scheduling conflicts), which are announced by Lincoln-Way District 210 or New Lenox School District 122 at facilities where Park District programs are scheduled, Park District programming will be cancelled as well. All attempts will be made to reschedule cancelled classes. However, the New Lenox Community Park District is sometimes unable to accommodate make-up classes and will not refund money in such instances.

## PROGRAM BEHAVIOR POLICY

Participants are expected to exhibit appropriate behavior. The following guidelines have been developed to help make Park District programs safe and enjoyable for all participants. Additional rules may be developed for programs and athletic leagues as deemed necessary by staff.

- Show respect to participants and staff and take direction from staff.
- Refrain from using abusive or foul language or from causing bodily harm to self, other participants or staff.
- Show respect to equipment, supplies and facilities. The New Lenox Community Park District reserves the right to terminate a party's participation in a Park District program due to that party's disruptive behavior or conduct.

## PROGRAM GUIDE DISTRIBUTION

To provide you the most up-to-date information, the Program Guides will be available online only at [newlenoxparks.org](http://newlenoxparks.org). We continue to review guidelines to determine the best way to safely serve the community while fulfilling our mission of providing quality community life.

## LIABILITY

The New Lenox Community Park District is unable to assume responsibility for injuries, accidents or loss of personal property occurring during programs or activities, in parks or facilities. Such insurance would make programs and user fees prohibitive.

Little Sparks takes children on an exciting journey using imaginative stories to explore the game, while our experienced coaches focus on their holistic development. Little Sparks uses three key principles (experiential play, creative learning, holistic activity) to build an environment for children to learn and explore different outcomes associated with soccer and self-development. PARENTS PLAY TOO! Little Sparks is unique in that it incorporates mom and dad into the child's learning experience. With the support of mom and dad, children are able to truly be comfortable and express themselves in order to maximize each session. This experience will not only strengthen the parent-child bond, but also elevate each child's enjoyment and development.

### Overview Description

Due to our legacy partnership with TetraBrazil, we have joined forces to create a unique and customized camp experience at this site. Join us for an International Soccer Camp without leaving your area! The TetraBrazil Camp combines traditional Brazilian technical practices with the flair, passion, and creativity of South American soccer. The TetraBrazil curriculum has been designed by an organization of professional soccer educators in Brazil to provide teams, coaches and players in North America with the same expert level of training received by the Professional Brazilian Clubs.

Campers will warm up to samba music, learn Portuguese phrases and discover what it is like to grow up in a country where playing soccer is treated like a religion. Camps will include a free soccer ball, jersey, and certificate.

### Session Description

Monday to Friday inclusive, 3 hours per day, with techniques, tactics, and conditioning instructed by professional Brazilian coaches. Each member of the coaching staff will bring an authentic taste of the flair, passion, and creativity of Brazilian soccer to the camps, which lead to a solid foundation in the basic skills of the game for all players. This unique approach to soccer provides the opportunity to experience first-hand the kind of training that has made Brazil the most successful soccer nation in the world. # KIDDIE KAMPUS 2024-25

## Ages 3-4 (as of 9/1/24)

### What does Kiddie Kampus offer its participants?

The New Lenox Community Park District offers preschool classes designed to develop social, emotional, and physical skills to ensure school readiness. A child's separation from parents and involvement with a non-family member is one of many major steps towards their development. Kiddie Kampus provides a safe and supportive environment for your child's first school experience while increasing their self-esteem and confidence through age-appropriate instruction. Covered during the year are color, shape and number recognition, an introduction to number concepts and letter recognition. Your child's quest for learning will be nurtured through creative play, building friendships, working individually, and cooperating as part of a group. These activities promote patience, sharing and the awareness that there is a whole world of people surrounding and supporting them. Songs, stories, activities, and games are used for reinforcement and fun.

**Thank you to our Sponsor**

**Burns Photography**

### What requirements are necessary for Kiddie Kampus registration?

A child must be four (three for the 3-year-old program), on or before September 1, 2024. Children must meet the age requirements of a class. Noncompliance with age requirements can result in removal from the program. The Recreation Department reserves the right to request a birth certificate if the age of the child is in question. If a child is not the appropriate age for a class, he/she will be dropped from the program.

**\*\*Kiddie Kampus follows New Lenox School District 122's calendar year for all full days off except for our Winter Break. Kiddie Kampus is still in session when there is a half-day for New Lenox School District 122.**
